

REMARKS

The above amendments are made to insert a cross reference to the PCT application upon which the instant U.S. national phase is based and to add an Abstract of the Disclosure.

In addition, the published claims are being canceled and replaced with new claims which were filed with the Demand. Multiple dependencies in the claims have also been eliminated.

An amendment which was made to the specification in the International Bureau is also being made to the instant national phase filing.

Respectfully submitted,

NIXON & VANDERHYTE P.C.
